ABOUT US

Ascend Contracting Group (DBA of Ascend Home Improvement LLC) is a Maryland-based woman-owned construction and general contracting company specializing in residential, commercial, facility maintenance, renovation, roofing, siding, construction management, and government contracting support services.

We are committed to delivering dependable project execution, quality workmanship, and responsive service. Our experienced team brings strong industry knowledge, attention to detail, and a safety-first mindset to every project. We provide cost-effective solutions that support facility improvement, operational readiness, and long-term value for public and private sector clients throughout Maryland and surrounding regions.

CORE CAPABILITIES

General Contracting

Full-service contracting for commercial and government projects.

Construction Management

Project planning, coordination, and execution from start to finish.

Roofing Services

Installation, replacement, repair, and preventive maintenance.

Siding & Exterior Restoration

Siding, soffit, fascia, gutter, and exterior building improvements.

Facility Renovation

Interior and exterior renovations, remodeling, and building upgrades.

Facility Maintenance

Preventive and corrective maintenance to support facility performance.

Commercial Construction

New construction, additions, alterations, and tenant build-outs.

Government Contracting Support

Experienced in federal, state, and local contracting requirements.

Site Preparation & Demolition

Site prep, selective demolition, and debris removal.

Project Management & Coordination

Subcontractor oversight, scheduling, quality control, and project closeout.
